Re: William A. Dupuy

Dear Mr. Parkinson:

Thank you for your letter of September 24, concerning the above Scouter. We have reviewed his case and feel we will register him on probation if you feel this is what should be done. However, the reason he was not convicted at his Court Martial trial was because the parents of the boys involved would not let their children testify. Please let us know what action we should take.

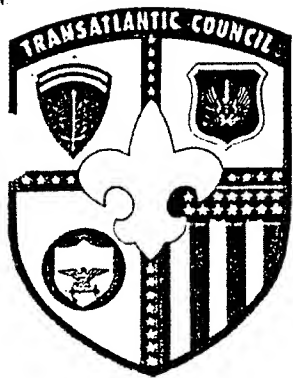

Sincerely,

FROM: Sgt Paul G. Watstein
Rhineland District Exploring Chairman

25 July 1976

SUBJECT: William Dupuy

TO: William Pruitt
Rhineland District Executive

As Rhineland District Exploring Chairman, Transatlantic Council, I have no objection to the registration of William A. Dupuy to the position of Advisor. Mr. Dupuy has, with his leadership and management abilities, demonstrated the ability to organize and maintain a strong exploring program. He has further demonstrated his reliability with his present performance and past history. It is my opinion that he should not be denied registration. The Mainz area would lose a talented and respected individual if action is taken to the contrary.

Request indorsement on this subject.

TO WHOM IT MAY CONCERN:

The purpose of this letter is to request continued active membership with the Boys Scouts of America.

During the summer of 1970, I was granted administrative absence from the United States Army to work as program director for the Georgia-Carolina Council. During this period, I was accused by three adolescent scouts as being a homosexual.

Upon learning of these accusations and forthcoming charges from the Chief of Staff for Fort Gordon, I immediately started proceedings to clear my name and reputation. I was interviewed by four different qualified psychiatrists -- all of whom stated that I did not possess any homosexual tendencies either active or latent. In October or November, 1970, I appeared before a board of six officers to argue my case. After lengthy proceedings, I was informed by the president of the board that I was exonerated of all charges.

Since that time, I have-- been registered with the Boy Scouts of America as a Scoutmaster with the Great Salt Lake Council, been allowed to reenlist in the United States Army, possessed a secret security clearance, worked in a classified area, been selected as EGO of the Year for my unit, and been selected as one of four air traffic controllers to represent my profession in USAFUR and worldwide competition.

Request that in view of the findings of the court, my previous record and past accomplishments that I be allowed to continue active membership with the Boy Scouts of America.

Sincerely,

WILLIAM A. DUPUY

RE: William A. Dupuy

Dear Jack:

On December 14th you wrote, related to the William A. Dupuy situation. I can understand that it would make it very difficult to win a case, if no witnesses appeared. We, of course, do not have to have convictions to refuse registration to individuals.

I believe you should discourage the registration of Sgt. Dupuy and not allow him to associate in any way with the Scouting program. The facts which you had previously sent us are strong enough evidence for us to deny registration. You may tell him that the Boy Scouts of America does not wish to commission him at the present time and that, if, some time in the future, conditions change and he wishes to register, we shall be happy to review the case.

Sincerely,

Paul I. Ernst, Supervisor

Re: William A. Dupuy

Dear Paul:

The Fort Gordon Military Review Board for Sgt. William A. Dupuy found him not guilty as charged.

The parents of the boys submitting statements and charges against Sgt. Dupuy, would not allow their sons to appear as witnesses to be cross examined by the defense lawyer.

The prosecuting attorney determined that this was a primary reason for his not winning the case against Sgt. Dupuy.

I have been relieving some inquires regarding Sgt. Dupuy's registration status. Sgt. Dupuy called me to discuss his registration and inquired about returning as a Scoutmaster in Troop 99 sponsored by Fort Gordon. I told him I did not believe this would be in the best interest of the boys or himself at this time.

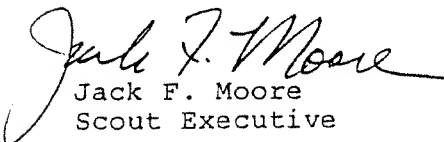

I have talked to members of the Council Executive Committee and Col. William Pinson, Chief of Staff Fort Gordon, and we do not believe Sgt. Dupuy should be registered ~~as~~ commissioned.

Please advise me of your opinion and advise regarding this matter at your earliest convenience.

I do sincerely believe some of the fathers of boys involved would be hostile toward Sgt. Dupuy in a personal way.

I do not believe he should be commissioned. Thank you for your help and assistance in the past.

Sincerely,

Jack F. Moore
Scout Executive

Thank you for your letter August 23, 1971 regarding James Williams, Jr. in Pack and Troop 155.

Enclosed you will find data regarding the registration of William Dupuy in Troop 99, United States Army, Fort Gordon, Georgia.

In view of the allegations made against me I feel that I must ask that my name be dropped from the charter of the Boy Scouts of America and all organizations associated with them.

Even though I am not guilty, I hold no remorse against any of the personnel of the scouting program and feel that if the roles were reversed that I would have acted in the same way.

I have enjoyed working with the Georgia-Carolina Council and the entire scouting program and will be glad to assist you in any way that I can in the future.
